ABOUT THE CLUES

Each clue was designed to fit in a 3.62 x 6.5 sized envelope. This is a pretty common size envelope that you might have at home already. Each clue included here was created lovingly by me for your PERSONAL USE ONLY. These are free for you to use and enjoy. I simply ask no commercial use of these assets, please. *PicturetheMagic.com holds the copyright to all clue designs and text included herein.*

ABOUT THE ANNOUNCEMENTS

I created all of the Disney Cruise, Walt Disney World and Disneyland vacation announcement cards that are included except the Disney Cruise vacation announcement shaped like a ticket. I found it online. It is apparently a free printable that Disney Cruise Line made available to guests in the past. DCL holds all copyright therein; I have not modified their file at all. Just passing it along as I found it.
