

## Mickey Inspired Party Cups

Add a little more Mickey fun to your celebration with these cute beverage cups!

What you will need:

Black cups  
Red construction paper  
White paper  
Rubber cement  
Clear tape  
Scissors  
Pencil

1. Print out sleeve and buttons templates onto plain white paper.
2. Cut along solid lines.
3. Trace around the sleeve template on red construction paper. Cut along the lines.
4. Trace around the button template on white paper. Cut along the lines.
5. Generously apply rubber cement on one side of the sleeve, and align the shorter edge to the bottom of the cup. Wrap the sleeve around the cup and secure with clear tape.
6. Apply rubber cement to the back of the paper buttons and adhere to the sleeve as shown in the photo.
