TIM BURTON'S
THE NIGHTMARE
BEFORE CHRISTMAS

Watch *The Nightmare Before Christmas* two different ways (including a Sing-along Edition) when you bring it home today.

PHOTO PROPS

What you will need:

- Heavy printer paper
- Wooden dowels
- Scissors
- Hot glue

Kids, have a grown-up help you with the scissors and hot glue.

How to make the photo props:

1. Print the pages onto heavy printer paper.
2. Cut out the art as close as possible. Cut out the eye holes.
3. Turn over the prop and glue a wooden dowel to the back to use as a handle.

TIP: Glue the dowel at an angle for the hat and bat props.
